The Fuzion Renaissance Link List

Howdy everyone this here is a big ol link list of every Fuzion site that ever was...I think so at least. I created this after seeing the awesome link list on the Cyberpunk 2020 Datafortress and realized there Is no such list for Fuzion, so here we go such a list exists now.

Now before I get into the list I must warn you that it's possible there are duplicate links or links that do not belong here and in such cases please contact me at my Gmail, The Fuzion Renaissance Blog, or the Fuzion Renaissance Twitter. Also, I'd appreciate it that if you ever find a Fuzion related site not on this list to let me know so I can add it to the list.

Here's the list of **194 links**

1. DEvermore.Net – A site hosting a bunch of Fuzion Related campaigns. Also, here's a link for the CyberReich setting CyberReich it's a sourcebook.
2. The Birthright Campaign – A rather neat Fuzion campaign site hosted by Dustin Evermore
3. Dawn of Legends – Another campaign site hosted by Dustin Evermore but set in a Fantasy setting another link can be found here although seems to be set in a different year from the first so might have outdated content.
4. Welcome to CyberShards – Campaign site by Dustin Evermore, this time based in a Cyberpunk setting.
5. Bob's Fuzion Page – Neat page with plugins for Matrix Magic and Super Vehicles.
6. RPG Dynamite – A still active campaign site with various Fuzion related campaigns and even has homebrew.
7. Foundation Chronicles – Super heroic FUZION campaign setting by Bill Beane.
8. Lightspeed – Science Fiction Space Opera game by Christian Conkle.
9. Lightspeed! Discussion Group – A Yahoo discussion group for Lightspeed!
10. The Atomik Vortex Studio – Creators of an awesome set of plugins.
11. Dilly Green Bean Games – Publishers of the Guardian Universe FUZION RPG.
12. Fuzion Italiana – A neat site that hosts the Italian translation of FUZION rules.
13. FUZION: Aliens – A full conversion of the Aliens vs Predator movie/books.
14. Chapter 13 Press – Publishers of Pulp Era FUZION roleplaying games. Here's their old site as well ravenspoe.
15. Applied Vectors – A company that intended to make Fuzion content but never did.
16. Atomic Rocket Games – Publishers of a few Fuzion related books and their Livejournal page.
17. conFuzion – An awesome resource site for FUZION plugins and even includes stats for a new race.
18. FuzionCentral – Was a venture created to help promote the Fuzion System, hosts an index for a few sites.
19. Microbalrog's Lair – Fuzion resources by Boris Karpa including the Dark Vigilantian, The Arsenal of all modern firearms in FUZION and more.
20. Wardens Chronicles – A campaign site based in Alcatraz.
21. Fuzion Alliance – Home of the Fuzion Alliance, has a forum, webring, and a few other things.
22. The Ultimate Fuzion Webguide – Lovely site with an awesome link list and a vault!

23. CATALYST - TUFW Webzine – A webzine for Fuzion.
24. FuzFuzed – Yahoo group for Fuzion made by Jay Libby.
25. Fuzion Instant Power System – Site with awesome rules for power creation.
26. FuzionPowered, 1st French site dedicated to Fuzion – As the title says it's the first French site for Fuzion, has lots of neat files! Also, the site is still live! (FR)
27. Diesel & Dust – A neat French site that has hosts an apocalypse sourcebook for Fuzion (Mostly dead). Live version here: Diesel & Dust Sden
28. Heresy Gaming – Publishers of the Victoriana RPG game based on FUZION rules. Another site of Hersey Gaming: Victoriana even includes info about an unreleased penny dreadful and their latest site.
29. GoldRush Games – Top-class developers of FUZION products including Sengoku, Usagi Yojimbo, Zorro, and San Angelo: City of Heroes.
30. Shards of the Stone – Comprehensive Fantasy Campaign with the accompanying Shards Fuzion Fantasy rules.
31. The Fuze – Home of the Fuzion mailing list. Here you will find many new works by Fuzion writers.
32. Nephilim's Song – The home of the nephilim's song setting.
33. Exodus – A apocalypse setting from the creator of Nephilim's song and Symbiote war.
34. Fuzion: DARK AEON – A modern horror setting for Fuzion.
35. Fuzion badges – Was a site that had badges you could put on your own site to depict it's about Fuzion. Here's a live version of the site.
36. 2300 AD Collective – A site hosting 2300 content which includes notes for converting to Fuzion. Here is a second link to the same thing but with download links for the conversion downloadlinks.
37. Transformers The RPG – A conversion of Transformers for Mekton Zeta by Mark Chase.
38. FUZION CORE – A good place to look for plug-ins and worlds.
39. iNDi Fuzion Products – A page covering some published/unpublished official Fuzion works.
40. Champions New Millennium Collection – A neat page with a bunch of plugins and shadowrun and white wolf conversions. (Sadly, most of the PDF links are seemingly dead)
41. Total Converzion – A bloody awesome site created by James A. Jandebeur featuring conversions for world of darkness and GURPS.
42. Legacy of Zorro Webpage – A legacy of Zorro Fuzion game by Gold Rush Games.
43. About.com - Fuzion – An about page that has some links to Fuzion related pages.
44. Grendal character write up. – a character write up.
45. Houston 2030 – a unique setting using Fuzion, sadly most of the site is dead.
46. Jason A. Dour: Role-Playing Games – Home of the Heroic abilities plugin and much more!
47. Jazz v2.0 – Uses a modified version of Fuzion and tries to do its own thing with a host of its own plugins.
48. Metal Storm: 2380 – This is an original site in a world rich with Mecha and psionics.
49. Legacy war of Ages – The conversion notes for Fuzion.
50. Project Nemesis – Home of the Net.Mekton.Zeta.Sourcebook.
51. Project Pegasus – This site contains a superheroic world setting including, heroes and villains for a campaign world based in England.
52. Project: Chrysalis – A campaign page with new talents and powers for Fuzion.
53. Section 7 – A covert operations campaign setting for Fuzion.

54. Shaintar: Lands of Mystery – A world setting for Shards of the Stone.
55. SHAINTAR: The FUZION Rules – A site with rules for playing Shaintar in Fuzion.
56. ST4: Role-Playing The Trek Mythos – Recruiting page for a mailing list working on a Star Trek Fuzion game.
57. Cyberpunk Contraband – A site for Cyberpunk related content and home of The Naughty Tentacles sourcebook for Fuzion. Another site for it existed as well but it's dead.
58. SUSTAINED FUZION – Has an original setting.
59. TranzFuzion – An awesome digital resource site by the ever-amazing Christian Conkle. Here's a link to a live version Mr. Conkle showed off here.
60. TreelRPG – Deadlink.
61. UMA Maneuver Conversions – This translates an outstanding book from Hero System to Fuzion. If you like martial arts in your worlds check out these.
62. Uncle Vurt's Fuzion Homepage – Lots of original works and great links.
63. The Valiants, Inc – This site includes case scenarios, character writeups, crime computer, and in-depth descriptions of our campaign world.
64. Webring Fuzion Chamber – Deadlink.
65. Arcane Press – Hosts some content for Fuzion/Hero such as the Endless Twilight Campaign. This link here is the original site although its dead: Arcane Press - Old
66. Legends of Khet – This was a campaign setting for the Wildblades RPG. Deadlink.
67. Welcome to MegAtlanta 2028 – Complete info on Atlanta in 2028, including maps.
68. AcroFuzion – This site contains a fantasy setting for Fuzion. The Mithlin house rules pdf file contains everything you would need to play this fantasy world, which includes gods, martial arts etc. A specialized character sheet is also included.
69. The Edge of Space – A Jazz-based science fiction setting inspired by Atlas Games' Over the Edge.
70. Fandom - Fuzion (RU) – Russian Fandom site that lists various TRPGs such as Fuzion, even links to some Russian Fuzion sites.
71. Sengoku – Official site for Sengoku: Chanbara Roleplaying in Feudal Japan, the historical samurai adventure game from Gold Rush Games.
72. Shadows of Dreams – This is my main gaming page. It contains links to the campaigns and rules I've written for Fuzion, cyberpunk, mekton, and world of darkness.
73. The Symbiote War – My Fuzion campaign based in a modern world where conspiracies and spirits are beginning to emerge into the light of day.
74. Welcome to Action Studios – Home to Alpha/Omega (superhero Fuzion), S.P.A.R.K. - Super-Powered Action Roleplaying Kit (Easy-Play Fuzion rules for supers), Hollywood Action Heroes (Cinematic Action Fuzion), and the upcoming Spookshow (Modern Fantasy/Horror Fuzion). The site features the work of Sean Patrick Fannon, a leading Fuzion developer. Here's a link to the Alpha/Omega - The Game of Modern Gods site.
75. Welcome to The Universe in Fuzion! – This is a Superhero game that uses the Instant Fuzion Rules.
76. The Official Haymaker! Homepage – Information on this Heroes and Fuzion APAzine. Here's a Live version of the site.
77. The Reaction Chamber – Comics, products, maps, character sheets by Dreamriders Workshop—a must-visit. Sadly, mostly dead.
78. Babylon 5 in Fuzion – An alternate to the official Babylon 5 RPG, custom built using the Fuzion and Mekton systems. Also includes content for Mekton and Wheel of time.

79. Fuzion: Fading Suns Plug-In – This site was converting Fading Suns to Fuzion but is a tad out of date. Here is a more up to date version of the site Fading Fuzion with a working PDF yay!
80. M-Fuzion! – Conversion site of Marvel super heroes Saga to Fuzion.
81. Fuzion 1940 – Was a PBEM campaign, I presume set in 1940. Deadlink.
82. Rifts: The World of Darkness – No, that title isn't a typo. The creator of this visually confusing website combines the settings from Palladium's RIFTS with White Wolf's World of Darkness and puts them into a Fuzion-powered setting. Follow me yet?
83. Champions – This is J.P. Brannon's Champions homepage, it has a bunch of super-hero characters for the Fuzion rules, as well as some rule variants. Go check it out.
84. Mutant Chronicles in Fuzion – This homepage is working on converting the setting of the Mutant Chronicles RPG into the Fuzion system. This oughta be interesting, and there is already some good stuff on there.
85. Dark Faeris Fuzion Page – Most of the content leads to broken links, site looked interesting though.
86. UNTIL HQ – Landing page works but most links here are dead.
87. Mastermind's Fuzion Homepage – Deadlink.
88. The 2001 Homepage – This is the homepage for a Fuzion GM's 2001 campaign (not connected to the movie). This is a kind of "dark" superheroes campaign set in the near future. There are plenty of Rules Variants, although most of them hark back to the original C:tNM ignoring Limiters from Alliances.
89. Signposts – Neat site with a PDF of campaign rules.
90. Eric J's Fuzion Page – Deadlink.
91. Imagines – A really good site with a lot of useful Champs and BGC Stuff. Be sure to check out Base Austrailius and the Aliens Sourcebook for Cyberpunk 2020. Good stuff.
92. Dorkland!: Another Old Fuzion Netbook: The Grendel Saga – By the fella who used to run Uncle vurts!
93. Sysabend – A web directory featuring content for Champion, Hero, and Fuzion.
94. Casey Burge's Website – Landing page works but otherwise dead.
95. Edward's Personal Page – Home of the Phantasy Star conversion for Fuzion.
96. Fuzion Dark Ages – Dead, seemingly made by Dustin evermore, creator of the birthright campaign.
97. The Fuzion Prime Network – The Fuzion Prime Network is an affiliate of FuzionPrime.com. FuzionPrime.com is the home of a new internet and print publishing venture that will be producing licensed Fuzion gaming materials. Has some neat plugins but sadly all seem dead?
98. InFuzion – Welcome to InFuzion, a site for fan created Fuzion articles
99. Land-o-FUZION – Geoff Heald's Fuzion web site.
100. The Omega Legion Home Page – Site's landing page works but sadly most content is dead.
101. Portals – The Portals system is a role-playing game utilizing the Fuzion system as a base. It is not a campaign but rather is an extension and encapsulation of the Fuzion system. Fuzion was designed to be a central rule set for games in a specific genre or time frame. Portals takes the flexibility of the central system and designs a game which allows it to be used for a campaign that will cross traditional game boundaries.
102. Project Mjollnir – Deadlink.
103. Section 9 E-Zine – An E-zine for Fuzion and their second site used for larger files.

104. Janus, The RPG Archive – John D. Cooper's Dark Aeon campaign setting; plus, Ars Magica Plug-In and Casey Burge's Martial Arts Plug-In for Fuzion.
105. Fuzion Library – A neat site with a lot of PDFs, while the site itself is in Russian the PDFs are in English. (RU)
106. The GI Joe RPG – Created by Jay Libby and home of the GI Joe RPG.
107. Fuzion Bloks – An alternative version of Fuzion.
108. Fuzion in Russia — LiveJournal – A live journal all about Fuzion. (RU)
109. Dicelords – A Russian site that has some Fuzion stuff. (RU)
110. Wyrdlyng's Haven – A site that had info on Knights of the Storm and info on converting DC characters to Fuzion. Launch page works but otherwise dead.
111. FUZION.ru – As far as I can tell the site was translating English supplements into Russian. (RU)
112. Fuzionpowered Wiki Version – This site seems to be a wiki for some plugins and some worlds such as Avatar the last airbender.
113. Raf88 – Home of the Alienz Fuzion French version.
114. Point to Point – Was a post-apocalyptic setting for Fuzion. Has landing page but everything else is dead.
115. Dotan Dimet's Rudimentary Fuzion Character Generator – Was a character generator based on the Champions ruleset. Deadlink. Here's a link to a live version of the generator.
116. Gateway City Champions Page – A champions game powered by Fuzion.
117. Trouper's Homepage – Was a fantasy world using Fuzion. Deadlink.
118. Chrono Trigger - The Unofficial Fantasy Roleplaying Game Page – Cool site that has a supplement for Chrono Trigger. Here's a mirror of a live version of the site.
119. La Vouivre - directory – A directory site that covered multiple TRPGs, this being the Fuzion section. (FR)
120. Comitcont – Another Russian Archive page for Fuzion. (RU)
121. Crisis in Infinite Worlds – Home of Tekeli-Li! By John McMullen
122. A Pulp Adventure – This neat site is the home of Pulp Fuzion (using Fuzion Jazz) and has lots of neat content for the setting.
123. Pandora Project – A PBEM in a superhero setting.
124. Fuzion Powered RPGs – Another Russian Fuzion site although they seemed to have relocated to VK, https://vk.com/zaibazu. (RU)
125. Mark's Astounding CyberEmpire O' Doom! – Nice site that hosts a few campaigns, namely one called "Sengoku Campaign" a hero campaign.
126. Nightstalkers – A horror campaign site with rules.
127. Fuzion Chamber Webring – Another webring for Fuzion.
128. Nicodemus' Free RPG's – Not entirely Fuzion but hosts "The Prisoner" which is a conversion for Fuzion.
129. Joe Martinez's Page – Has rules for playing the mutants chronicles universe.
130. Teenagers From Outer Space FUZION – Site works just need to highlight text.
131. FAQ for REC.GAMES.FRP.SUPER-HEROES, the super-hero role playing game newsgroup – FAQ site that has links to HERO, Champion, and Fuzion related sites.
132. Alluvia Fantasy World – A very awesome tropical fantasy setting.
133. Anime Manga Roleplaying Network – A collection of online games, articles, and sourcebooks for Fuzion-based anime roleplaying.
134. Morrow Project – A campaign page.

135. The Five Star Stories – A conversion of FSS for Fuzion.
136. Control Committee – A Russian site with an archive for Fuzion and other TTRPGs (RU)
137. Decision Driven Gaming – Has a Fuzion section.
138. Blue Submarine No. 6 RPG Project – A project to create a Fuzion-based adaptation of Blue Submarine No. 6. Very similar to #101 and links to other sites in its network. Here's an alternative site that's the same except images work: Blue Submarine No. 6 RPG Project
139. fuzionforum – A yahoo discussion group.
140. RPGEnjoy – A Russian site that has quite a few files for Fuzion although mostly dead but has a working character generator in English! (RU)
141. Children Of The Blue Star – While the site uses a system the creator made called CARDS, he intended to do stuff with Fuzion as well.
142. T'Sarith's Palladium Games Resources – While the site is dedicated to Palladium it does have conversion notes for Rifts to Fuzion.
143. Dimensions Magazine – Neat site that has rules for converting Cyberspace to Fuzion.
144. The Mobius Strip - Fuzion Resources – Site that has some stuff on a variant of Fuzion called MaxFuzion.
145. Xeele's Fuzion in Russia – A neat Russian site with some cool PDFs. (RU)
146. ACTD For Fuzion RPG – Live Journal that has campaign notes for ACTD.
147. stevemangames – Awesome dude, made the Instant Legend (Legend of Zelda) sourcebook for Fuzion.
148. Fuzion Forum – Reborn from the ashes of the mailing list/yahoo group they have moved to Facebook.
149. Sword & Barrow – Home of Artesia and its upcoming 2nd edition.
150. r/ArtesiaRPG – The subreddit of the Artesia RPG and all things Artesia.
151. Artesia: Shaped Forms – A lovely shaped forms generator by GroundbreakingPitch0.
152. Artesia: Character Generator – A character generator for Artesia by GroundbreakingPitch0.
153. The Forgotten Crypt - Fuzion – A French site that covers various TRPGs, this page section of the site covers Fuzion and has a few PDFs. (FR)
154. THE DBZ RPG: As according to Dragma – A Dragon Ball RPG site that does some rule corrections for the book published by RTG.
155. Dragonball Z RPG – A another site that has some house rules for the DBZ rpg.
156. Battlestar Galactica - First Cylon War 2.0 · Umbria Community – A Fuzion campaign set in Battlestar Galatica, site is in Spanish. (ES)
157. Purgatory, You Will Pay for Your Sins · Umbria Community – Another Fuzion Campaign although supernatural. (ES)
158. Sabledrake Magazine – Issues 6, 7, and 10 are for interlock but can be used for fuzion as well.
159. VIPER: Wholescale Villany at Wholesale Prices – Meant for the 4th Millennium but has info for Fuzion conversion of VIPER.
160. Lodoss War the RPG – The original home of the Lodoss War RPG conversion by Mark Chase.
161. The accursed Island – A site rehosting the conversion of Record of Lodoss War to Fuzion.
162. Record of Lost Heroes – Seems to be a campaign site for Record of Lodoss War.
163. Zalmute Word Press – Hosts a variety of content for Fuzion and other things, the fuzion content is all powered by Instant Fuzion.
164. Gilandrad.tk – A French site that had some plugins for Fuzion although sadly all dead. (FR)
165. MENÚ – A site that hosts a few files for Fuzion, namely the Spanish translation of Fuzion.

166. Cold Fuzion – A sci-fi Fuzion game. (Still up!)
167. Sky realms of Jorune – Lovely site dedicated to the TRPG of the same name, hosts the Fuzion conversion of the game.
168. WARES BLADES – A mirror site of a Japanese one in English, this site was going to have conversion rules for Fuzion.
169. Dany St-Pierre home page! – A site that is a part of a Hero Webring but this site lucky has content for Fuzion, to be exact Fuzion Jazz, a Pulp fiction supplement.
170. Ground Zero anime roleplaying RPG – a lovely anime RPG site for Fuzion, has stuff for DBZ, BESM, and Ground Zero.
171. Role Synergy – A blog that has Fuzion content and rehosts the Fuzion Spanish translation. (ES)
172. SILVER R.I.N.G. – a super campaign based in Brazil.
173. Sykes' Security – A campaign site using Fuzion 2300 rules. Mostly dead.
174. Arcadia PBeM Homepage – Was a PBEM super campaign site.
175. Macross 2050 – An amazing page that converts all of Macross into Fuzion (even Robotech!). Sadly, all links are dead but all the sourcebooks have been archived so you can still find them out there.
176. Macross 2050 Yahoo Group – The Yahoo group of the Macross 2050 RPG.
177. Fiendrunner – A lovely site that is the home of Fuzionpunk.
178. Cyberpunk 2070: San Francisico – A campaign by Fiendrunner which uses the Fuzionpunk ruleset.
179. SAPIENCE GALACTICA – A generic Sci-fi universe which uses Fuzion by Fiendrunner.
180. Paragon Freedom – A Sci-fi Western campaign set in the far future on the world of Freedom West by Fiendrunner.
181. Ruin: Life in the undergrowth – Ruin is a post-apocalyptic game set late this century thirty years after The Virus has wiped out 95% of the world's population by Fiendrunner.
182. Fuzion RPG - A Lithuanian Fuzion Homesite – a Lithuanian Fuzion site (IT)
183. 60 Tons of Pure Whoopass – A Mekton site with conversion notes for Mekton Zeta to Fuzion.
184. Super Earth Defense Force – A Mekton Campaign site based on the Fuzion ruleset. (Dead)
185. POCGamer – A lovely site (that's still live!) that touches upon Fuzion once in a while.
186. Cyberpunk – Seems to be a rules site inspired by Artesia: Adventures in the Known World and Sengoku.
187. Overfuzion – A French site that had numerous new talents a player could use. (FR)
188. Battleground – A lovely site that has a bunch of useful plugins for warfare.
189. Jetan – A blog that had a few Fuzion related things, notably a conversion for the character Jaxxon.
190. Patchwork – A new system that patches together Fuzion and Interlock as a base. (FR)
191. Heavens Feel – A journal site of some sort that had a bunch of stuff for Fuzion, mostly stats for popular characters such as Cloud Strife.
192. Myth Weavers – A campaign that is set in dragonball and still ongoing. (Note: Requires you to login to site).
193. Hero Games – An older version of the Hero Games site.
194. R. Talsorian Games – An older version of their site (included it because it looks funny)
